**FROM THE PASTOR'S DESK**

It was around Easter that I began seeing some familiar faces once again at College Church. As more and more of us are fully vaccinated, that trickle has become a flood. It is so good to be together as a community. We are not all here yet, but there is reason for great joy.

The pandemic separated so many from Body of Christ. I mean that in terms of the sacrament of the Eucharist and the Church community. The two are intimately connected. It is impossible to think of one without the other. It makes perfect sense that the absence was felt deeply. The feast of Corpus Christi should bring us joy this year especially because we can celebrate again.

However, we know many Catholics feel a sense of separation nearly every Sunday. Those incarcerated, in refugee camps, the homebound or simply living in areas where Mass cannot be celebrated. Our experience can help us appreciate what we have, and move us to greater solidarity with our sisters and brothers. As St. Paul reminds us, what affects any member of the body affects all.

Corpus Christi is about the communion we have with Jesus and one another. The absence we felt over the last year makes us grateful for all we have.

**Wayne and Tuck Loui Funeral Mass**

A funeral Mass for **Wayne and Tuck Loui** will be celebrated on Saturday, June 12 at 9:15 AM, with visitation in the church beginning at 8:30. All are welcome!

## SOCIAL MINISTRY

### Outreach Program Summer AmeriCorps VISTAs

This summer we are grateful to have two wonderful AmeriCorps VISTA volunteers with us for eight weeks to assist with our Outreach Program, as well as work with Campus Kitchen at SLU. They will be with us from June 14th-August 6th. Welcome, Theresa and Audra!

#### Theresa Thiel

Theresa is a rising Saint Louis University senior from Gurnee, IL. She studies Spanish, Theological Studies, and Urban Poverty Studies with hopes of working in schools, nonprofits, or the church. On any given day, you can find her enjoying the sunset at SLU's Clocktower or

exploring different neighborhoods throughout the city. She looks forward to meeting and serving alongside all members of the College Church community this summer!

#### Audra Youmans

Audra is a sophomore studying Biology and Sociology on the premed track at SLU, and is incredibly excited to be a VISTA Volunteer this summer! She has spent much of the past year working with and within the unhoused community. Audra has truly found her passion working

with the unhoused/low-income in St. Louis and cannot wait to work with the parish!

### Meet Liam John, Outreach Program Summer Coordinator

The Outreach Program is grateful to have received a grant to hire a summer program coordinator in the interim between Tess Sanders' last day and our new coordinator's August start date. We are fortunate to have worked with Liam John since June 2020 and to have the opportunity to hire him for this

summer position. He brings a calm presence, insightfulness, and deep compassion to this work. Here is more from Liam in his own words:

My name is Liam John (he/him). I am a junior at SLU studying public health and health management. I will be working over the summer as the outreach coordinator. Last year, I served as an AmeriCorps VISTA for the same program. I am excited to help continue the amazing work that the program does with helping folks get the identification that they need. The mission, the volunteers, and the guests all keep me going and loving the work.

This summer until August 6th, Liam can be reached at [outreach@sfxstl.org](mailto:outreach@sfxstl.org) or (314) 977-7311.

## Antiracism at College Church

### Local Catholics Unite in Pursuit of Racial Justice

The Catholic Racial Justice Collaborative (CRJC) is a multiracial group of religious and lay Catholic leaders that aims to acknowledge the history of racism in society and in our Church and to challenge its perpetuation. The collaborative, whose members are drawn from parishes and organizations throughout the St. Louis archdiocese, formed in September 2017, just before St. Louis police officer Jason Stockley was acquitted of the charge of first-degree murder in the fatal shooting of Anthony Lamar Smith. In anticipation of that controversial verdict and the racial tensions surrounding it, members of the collaborative drafted a statement calling upon area Catholics to wrestle with the difficult realities of racism. The collaborative seeks to encourage interracial dialogue and to compel action that leads to racial justice, and has identified several key initiatives to further those efforts. The CRJC, including Antiracism Team co-chairs Lisa Burks and Winnie Sullivan, meets monthly. For more information, visit <https://www.catholicracialjusticestl.org>.

### Hiding in Plain Sight: The Reality of Everyday Racism

The next session in our virtual series of awareness sessions, guiding us on the path to creating greater equity and justice, is "Good Food Movement: Improving our Food System From Within" presented by Erica Williams, the Executive Director of A Red Circle. It will be this Thursday, June 10 from 7 – 8:45 pm. Register here: [tinyurl.com/ARedCircle](https://tinyurl.com/ARedCircle)

The following letter published on May 13 in the *St. Louis Post-Dispatch* was created by staff members of College Church and the Central and Southern Province of the Jesuits:

Regarding "Missouri Republican lawmakers push ahead with bills to add voting restrictions" (April 14): This session, legislators in Missouri have introduced a slew of bills related to voter access to the polls. Some of those, like House Bills 334, 738 and 1065, will restrict access to voting by limiting absentee voting, voter registration, early voting opportunities and imposing strict photo ID requirements on voting.

The U.S. Catholic Bishops have written about how restrictive voting laws and practices have been used for over a century to disenfranchise voters of color. Such proposed legislation often excludes people of any race or ethnic background who live in poverty, have a disability or have not yet mastered the English language.

Since 1993, my parish, through our ID and Birth Certificate Outreach Program, has helped tens of thousands of people obtain identification documents needed for employment, housing, and education — and voting. Our staff and volunteers know firsthand how difficult and costly it can be to get these documents. We are very concerned about how many Missourians will not be able to vote because they don't have access to services like ours.

The Catholic Church teaches that participation in civic life is a fundamental responsibility of citizens. To exercise this responsibility, citizens must have access to voting. Everyone in Missouri should have equal and equitable access to the ballot.

### Tuesday Vigils for Racial Justice

Weekly prayer vigils for racial justice are held on the steps of College Church each Tuesday night from 6 to 7 pm. Please join us as we stand in witness and prayer for equality and peace. You are encouraged to bring a sign expressing commitment to justice. If your group or organization is interested in leading a Tuesday vigil, please contact Joan McGinnis: [jfmc676@gmail.com](mailto:jfmc676@gmail.com).

## YOUTH AND FAMILY FAITH FORMATION

### SOCIAL JUSTICE CAMP AT COLLEGE CHURCH

Students entering sixth through ninth grade are invited to a Social Justice Camp held at St. Francis Xavier "College" Church from June 28-July 2. Participants will learn how social justice issues are integral to our Catholic faith. They will see firsthand the needs that exist in our community and will have the opportunity for onsite visits and hands-on service to help some in our most vulnerable populations.

Through group discussions and artwork and journaling, students will develop solutions to the injustices they see. Cost for the camp is \$250, which includes off-site transportation and snacks. Camp hours are 9 – 3 pm, with early arrival at 8:30. For more information, contact Terry Edelman at 314.712.4216 or [terry@sfxstl.org](mailto:terry@sfxstl.org).

### Registration Open For Religious Education This Fall

College Church offers a Catechesis of the Good Shepherd program and a more traditional Religious Education program as well. The RE Program at the College Church provides children in grades 1 - 8 with an Ignatian approach to their faith lives. Classes meet from 9:15- 10:15 on Sunday mornings, September through May. Children learn to experience God's love for them, and to share that love with those in their midst.

The program offers exceptional sacramental preparation, in-class service opportunities starting in the second grade and outside service days beginning in fifth grade. Classes include instruction based on a Loyola University Press Curriculum, and other hands-on learning activities helping children find God in all things.

Catechists include parents and St. Louis University students who volunteer because of their eagerness to share their love of God with others. For more information contact Terry Edelman at [terry@sfxstl.org](mailto:terry@sfxstl.org), or visit the Youth and Family Faith Formation website to register: [sfxstl.org/youth-faith](https://sfxstl.org/youth-faith).

**Glennon Sunday Weekend is This Weekend, June 5-6**

A message from SSM Health Cardinal Glennon Children's Hospital:

When SSM Health Cardinal Glennon Children's Hospital opened its doors as the nation's first free-standing Catholic pediatric hospital, a promise was made to the community that any child in need of care would be welcomed, whether their parents could afford to pay for care or not. That promise still holds true today.

We rely on the generosity of our friends in the faith community to help uphold our mission of faith-filled health care services, delivered by some of the region's best caregivers: Through our exceptional health care services, we reveal the healing presence of God.

College Church, please join us in helping make miracles possible by making a gift during Glennon Sunday weekend, June 5-6, online at [glennon.org](http://glennon.org). On behalf of our patients and families, may God bless you for providing hope, healing, faith and compassion to every child who walks through the doors at SSM Health Cardinal Glennon.

### Update on Covid Restrictions

Dear Parishioners and Friends,

The City of St. Louis has lifted the restrictions put in place in response to the COVID-19 pandemic. The Archdiocese of St. Louis has left the responsibility to individual pastors regarding liturgical celebrations held inside their churches.

I ask that for the time being that we continue to practice social distancing and wearing masks while inside College Church. This comes after discussions with health care professionals and staff members here at the parish. As of Monday, May 17th, St. Louis City and County have a full vaccination rate of roughly 33%. The availability for children as young as 12 to receive the vaccine began around May 10th. This means a significant portion of the population is still not fully vaccinated. It seems prudent to ease our way into what we all desire: a return to normal.

I am not interested in inquiring about parishioners' vaccine status, nor do I want us to police those coming through the doors. Going slow on lifting restrictions will enable us to lessen the risk for everyone. By the third weekend in June, children 12 and up will have had the opportunity to be fully vaccinated. The hope is that more adults will have reached that level as well. That is the tentative point when we may be able to re-evaluate our current policies.

In the meantime, we will have smaller measures scaled back to reflect the improving status. These changes will be communicated to the parish.

I want to thank you for your adaptability over the past year since we have resumed in-person liturgies. It has not been what any of us would have chosen, but your desire to celebrate together while remaining safe has been nothing short of spectacular.

God Bless,

Fr. Dan
