FROM THE PASTOR'S DESK

I am not sure where the phrase “the dog days of summer” comes from but it seems to capture this time of year perfectly. The heat and humidity of a St. Louis summer seems to leave us all panting like dogs with our tongues hanging out. I, for one, cannot wait for October to arrive.

It is hard to imagine but not so long ago College Church did not even have air-conditioning. Those were the days when pastors and parishioners were really tough! Now it seems a great incentive to attend SFX is to luxuriate in the cool. I am certainly in favor of anything that gets people through the doors.

My fear, however, is that our incredible capacity to manipulate our environment blinds us to some uncomfortable truths. The natural world tends to resist our control. Technology will not solve every problem. Our short-term solutions have a way of harming subsequent generations.

Summer provides a good opportunity for us to consider our place in creation. For all of our success at bending the wider environment to our will, there remain serious unintended consequences. And it is a particularly ugly truth those consequences impact especially the poor. It is always a good time to reflect on the legacy we seek to pass on.

Parish Finance Update by Fr. Dan White, S.J., pastor

The fiscal year for 2017-18 ended on June 30th. I want to thank everyone at St. Francis Xavier College Church for your financial support this past year. The generous giving of parishioners enables us to provide the many ministries of our parish. Everything from religious education to social ministry to adult faith formation is made possible through your gifts. These efforts are at the core of who we are as a community of faith. Thank you for enabling us to form young people in the faith, assist our sisters and brothers in need, grow in our following of Christ, and all the many good works taking place here.

Financially, we are meeting expenses to support our many ministries. However, our offertory numbers were down 10% from budgeted numbers, while the Gala exceeded expectations netting \$125,000. Through the Gala revenue and managing our expenses, we balanced off our decrease in revenue. On-line giving numbers continued to climb as we saw a significant increase in parishioners giving this way. Please keep in mind on-line giving provides the most consistent, stable method for our offertory.

This past fiscal year was the first of a new partnership with Saint Louis University for the church/parish office facility. A number of projects were accomplished including new doors on our ballroom and ballroom bathrooms, LED lights in the ballroom, installation of new and removal of old duct-work in parish office, a/c repairs throughout parish office and sacristy, and a brand new sign for the church. Another key component of our agreement is we now have 24 hour access to SLU's maintenance team 7 days a week. Believe me, we have taken advantage of it.

The current budget that started July 1st takes into consideration the revenue patterns over the past two years. We are seeking to balance our finances with the desire to engage in the various works of the parish. This is not easy to do. I am confident, however, your continued support will enable us to remain a vibrant faith community.

College Church Parish Life Commission needs members

Parish Life is the heartbeat of our parish community. We strive to assess and respond to the pastoral and social needs of parishioners. The focus is on building and connecting a strong, diverse and unified community that treasures and taps into the gifts of all at the College Church. We seek to discover creative ways to celebrate together. Currently the commission plans and organizes parish events such as Xavier Days, the Ministry Fair, and the Appreciation Dinner.

We meet once a month between the Sunday morning Masses for an hour. It's a wonderful group of supportive parishioners who enjoy working together. If you are interested in learning more about the Parish Life Commission or serving as a committee member, contact Mary Beth Erickson at 314-977-7304 or email marybeth@sfxstl.org. We're looking forward to a year of some wonderful social activities.

A big **THANK YOU** to Denny and Tina Saunders for chairing and serving on the Parish Life Commission. You were wonderful!

Understanding Islam

Islam is the second largest religion with participation by 24% of the world population. It is also the fastest growing religion in the world. The Muslim population in St. Louis has been growing in recent years. In the hopes of understanding the background, the beliefs, and the practices of the Islamic tradition, there will be three sessions following the 10:30 am mass on July 22 and 29. These will be part presentation and part video. The first session will explore the historical and cultural context of the development of Islam and the life of the prophet. The second will explore the understanding of revelation and Quran. The third will look at the practices that are observed and topics in Catholic-Muslim dialogue. Sessions will be in the adult faith room. For more information, contact Joe Milner at Joseph.milner@slu.edu

MINDFUL DISCERNMENT: Emotional Intelligence for Leaders

Most EQ training focuses only on external behaviors and skills, but this is only the tip of the iceberg. Transformational leaders need a way to access the wisdom of "deep emotional intelligence," the iceberg under conscious awareness. This workshop will show you how to develop a daily contemplative practice (such as mindfulness, meditation, or silent prayer) in a way that unlocks the leadership potential frozen in your non-conscious awareness.

PRESENTED BY:

Dr. Thomas J. Bushlack, Ph.D. (Theology), *Associate professor of Theology and Christian Ethics*

Hsin-hsin Huang, Ph.D. (Counseling & Counselor Education), *Associate Professor of Pastoral Theology*

COST: \$55 (after September 15: \$65)

DATE: Saturday, September 29, 2018 from 9:00 am to 12:00 p.m. The workshop will be presented on Aquinas' campus, streamed online, and will be recorded. To register: visit ai.edu/Outreach/Spirituality-Faith/EQ.

Neighborhood Faith Groups

The Adult Faith Formation Commission and the Parish Life Commission are collaborating to form Neighborhood Faith Groups. We had a fun and successful "Zip Code Donut Sunday" at which people from adjoining zip codes got to meet one another.

Now we want to invite people who live close to one another to connect more deeply and intentionally. The potential activities for these faith groups are many and entirely open to the creativity of each group. Activities could include scripture study, prayer, faith sharing, walks, Lenten book groups, service, or attending to the needs of the faith group itself. (And of course, you could always enjoy sharing food!!!)

Interested? It's never too late to join! Please respond soon at our website! <http://sfxstl.org/neighborhood-faith-groups/>
