**FROM THE PASTOR'S DESK**

This liturgical year the Gospel each Sunday is taken from St. Mark. However, last week we began an extended detour through chapter six of St. John's Gospel. How come?

The key is to understand that the liturgy shapes the scripture we use. This is not the same as studying a Gospel or using it for our own personal prayer. Rather the biblical text is informed by our Sunday communal worship. The basic pattern of the liturgy of the word and of the Eucharist remains constant. Both reinforce the other.

Now back to John's Gospel. Last week we heard about the multiplication of loaves and fishes. This is one of the most significant stories in the Gospels as it is the only miracle of Jesus that all four Evangelists describe. John, alone of the four, follows up the story with an extended discourse by Jesus on the miracle. This is the famous "Bread of Life" teaching. It is the most extended treatment of the Eucharist in the entire New Testament.

Since the Eucharist is the heart of our liturgical prayer, it is good to have the opportunity to hear the entire Bread of Life discourse on consecutive Sundays. I would argue that every time we gather as a faith community we are in some way recalling Jesus' words. This section of John's Gospel is simply too important to miss.

**Lights and Doors!**

*Then God said, "Let there be light"; and there was light. And God saw that the light was good. Genesis 1:3-4*

This past week SLU facilities began work on a complete overhaul of the inside lighting at College Church. They are changing out all the lights, and retro-fitting our light fixtures for LED bulbs. This means our lights will last longer and use much less electricity. A nice way to lower costs while being more friendly to the environment. We will have a new lighting board to manage our interior lights. Since the church was struck by lightening a number of years ago, our lights now are either all "on" or all "off". The upgrade will give us the ability to program the lighting for particular days and times of the year. It will be an enormous benefit to our liturgical celebrations. The works is scheduled to be completed at the end of August.

*Hezekiah opened the doors of the house of the Lord and repaired them. I Chron 29:3*

Another improvement is on the exterior doors of the church. The original, massive wooden doors take a beating from being exposed to the sun and elements. SLU is stripping and re-finishing the doors. The beauty of our doors will once again be a symbol of welcome.

## **College Church 101**

Becoming a member of College Church can seem like entering a new discipline. Since most people do not live in the immediate area or share a common elementary school to connect families, one must find new ways to meet people and form relationships. We are also an Ignatian parish led by members of the Society of Jesus and that offers unique opportunities.

College Church 101 is a set of three presentations to help people get to know the College Church. The first session will be introductions, demographics of the community and an overview of the parish history. The second session will focus on the Jesuit and Ignatian aspects of College Church. During the third session, parish activities, ministries, and opportunities for involvement will be described and a brief tour of the facilities will be offered.

If you are new to the College Church community or if you have been with us and want to review your knowledge of College Church, plan to attend College Church 101. Sessions will be held between the Sunday morning Masses on August 19th, 26th, and September 2nd in the ballroom. Refreshments will be available about 9:00 am. and presentations will begin at 9:15 am. Please call 977-7300 or e-mail Joe Milner, Joseph. Milner@slu.edu if you plan to attend. We look forward to seeing you!

## ***Parish Finance Update by Fr. Dan White, S.J., pastor***

The fiscal year for 2017-18 ended on June 30<sup>th</sup>. I want to thank everyone at St. Francis Xavier College Church for your financial support this past year. The generous giving of parishioners enables us to provide the many ministries of our parish. Everything from religious education to social ministry to adult faith formation is made possible through your gifts. These efforts are at the core of who we are as a community of faith. Thank you for enabling us to form young people in the faith, assist our sisters and brothers in need, grow in our following of Christ, and all the many good works taking place here.

Financially, we are meeting expenses to support our many ministries. However, our offertory numbers were down 10% from budgeted numbers, while the Gala exceeded expectations netting \$125,000. Through the Gala revenue and managing our expenses, we balanced off our decrease in revenue. On-line giving numbers continued to climb as we saw a significant increase in parishioners giving this way. Please keep in mind on-line giving provides the most consistent, stable method for our offertory.

This past fiscal year was the first of a new partnership with Saint Louis University for the church/parish office facility. A number of projects were accomplished including new doors on our ballroom and ballroom bathrooms, LED lights in the ballroom, installation of new and removal of old duct-work in parish office, a/c repairs throughout parish office and sacristy, and a brand new sign for the church. Another key component of our agreement is we now have 24 hour access to SLU's maintenance team 7 days a week. Believe me, we have taken advantage of it.

The current budget that started July 1<sup>st</sup> takes into consideration the revenue patterns over the past two years. We are seeking to balance our finances with the desire to engage in the various works of the parish. This is not easy to do. I am confident, however, your continued support will enable us to remain a vibrant faith community.

### Neighborhood Faith Groups

The Adult Faith Formation Commission and the Parish Life Commission are collaborating to form Neighborhood Faith Groups. We had a fun and successful "Zip Code Donut Sunday" at which people from adjoining zip codes got to meet one another. Now we want to invite people who live close to one another to connect more deeply and intentionally. The potential activities for these faith groups are many and entirely open to the creativity of each group. Activities could include scripture study, prayer, faith sharing, walks, Lenten book groups, service, or attending to the needs of the faith group itself. (And of course, you could always enjoy sharing food!!!) Interested? It's never too late to join! Please respond soon at our website! <http://sfxstl.org/neighborhood-faith-groups/>

## Parish Ministry Fair

This year the Parish Life Commission is excited to host another Parish Ministry Fair on September 9th.! This was a great success in 2016 and we look forward to another year of engaging parish members in all the groups and activities that we have at SFX College Church. This year the theme will be Meet Me in Saint Louis!

We are asking each commission/committee/group to pick an iconic location in Saint Louis for your table theme. Parish members will be given a Trolley Passport to get stamped at each location. Parish members will then be able to turn in the passport as a raffle ticket for a Saint Louis themed gift basket. Your group can decorate your table as much as you want, but the main reason for this event is to let the parish know more about the activities that go on in this wonderful community and how to get involved.

Please email Erin Tkach at [tkach.erin@gmail.com](mailto:tkach.erin@gmail.com) with the following information: Group: Contact Name:, Contact Email, Saint Louis Location. We are asking that you sign up for a location by August 1st.. Locations are first come first serve.

## LIGHTWORKS - AN EXPERIENCE OF IGNATIAN PRAYER

**LIGHTWORKS** is a "light form of work," a series of limbering up exercises for the spirit. Physical exercises build muscle, increase stamina, and develop flexibility. So **LIGHTWORKS** does for the spirit. These exercises of prayer and reflection, build our relationship with God and help us become more aware of God's presence in our lives. It consists of weekly group sessions. Participants are given scripture passages or reflections from the Spiritual Exercises of St. Ignatius to pray over each week. These invite us into conversation with God about our lives. Then during the weekly session, there is sharing about these passages and a presentation. There are 16 weekly sessions with 8 before Thanksgiving and 8 in the new year. LightWorks will be offered at St Louis U High on Oakland this fall on Monday evenings from 6:30 until 8:30 pm, beginning on October 1. Flyers will be available soon at the doorways of the church. For more information, please contact Joseph Milner at 314-977-7305 or [joseph.milner@slu.edu](mailto:joseph.milner@slu.edu).
