### **Close of 175th Anniversary Year Novena**

College Church has put much time and love into the events with which we have celebrated our 175th anniversary year. Our observance will come to a close with a **parish novena**. This will begin on Sunday, July 23 and conclude on Sunday, July 30. The beginning and end will occur with communal prayer in the chapel after the 10:30 masses on those Sundays for those able to stay. Novena booklets that can be used by individuals at home throughout the week will be made available as hard copies and will also be on the parish website. In this way, even if you will be out of town that week, you will still be able to unite in prayer together as we praise God for the blessings of our Jesuit parish community.

## From the Pastor's Desk

I saw recently some people at the Tower Grove farmer's market carrying signs stating, *Cruelty is un-American*. I really wish that were true.

Unfortunately, it is not. Even a cursory glance at our history reveals how brutality is part of our social fabric. The dispossession of land and violence against Native Americans, the horrors of racial slavery, the fear and loathing of immigrants, and the willingness to accept large-scale poverty are only some of the signs of the sufferings in our nation's history. I would argue cruelty is as American as baseball, apple pie, and the 4<sup>th</sup> of July.

Let me be clear, that is not the totality of who we are. There are many examples and episodes where the ideals of our nation have shone forth. Respect for the individual person, compassion for those in need, a desire to right wrongs, and a willingness to seek justice are also deeply embedded in us.

I believe it is far more helpful to engage the complexity of our national experience without sugar-coating who we are or turning a blind eye to the more tragic aspects. This is where we as faithful Christians can help our country. We take seriously the fact of our individual and communal sinfulness. Reconciliation only comes from naming faults, and admitting our need for healing. Yet, this recognition does not cripple us but frees us. Honesty, humility and the desire to change are values not just for church but the public square as well.

## ***Saint Louis University & St. Francis Xavier (College) Church***

I want to make everyone aware of an important new relationship College Church is entering into with Saint Louis University. Beginning July 1<sup>st</sup> SLU will take over the maintenance and upkeep of the church and parish office. The parish will retain the custodial care of both.

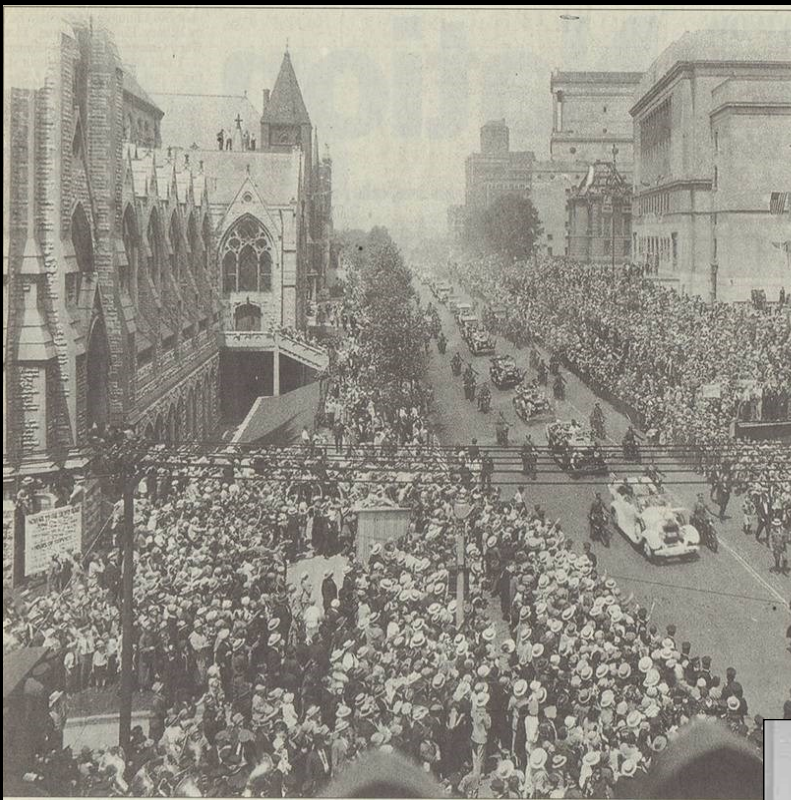

This is the further evolution of a special relationship between the parish and the university. College Church is unique in that the church building has always been owned by SLU, not the archdiocese or the Society of Jesus. What that meant has changed over time. Most recently, the upkeep of the church was divided by SLU taking care of the outside (remember the steeple work a few years back), and SFX managing the inside (the floor renovation for instance). Our new understanding means SLU takes over all maintenance and projects. The parish community will pay an annual fee for these services.

What does all this mean? I believe that we will now be able to maintain our facilities to a greater degree by utilizing the resources of SLU. Our project list was never-ending because of limited resources. The near future indicates this new relationship will be roughly cost-neutral as compared to recent years. However, more will get done and in a timely fashion. We will get more bang for our buck. This also means that major projects, like the HVAC system, fall under the responsibility of SLU.

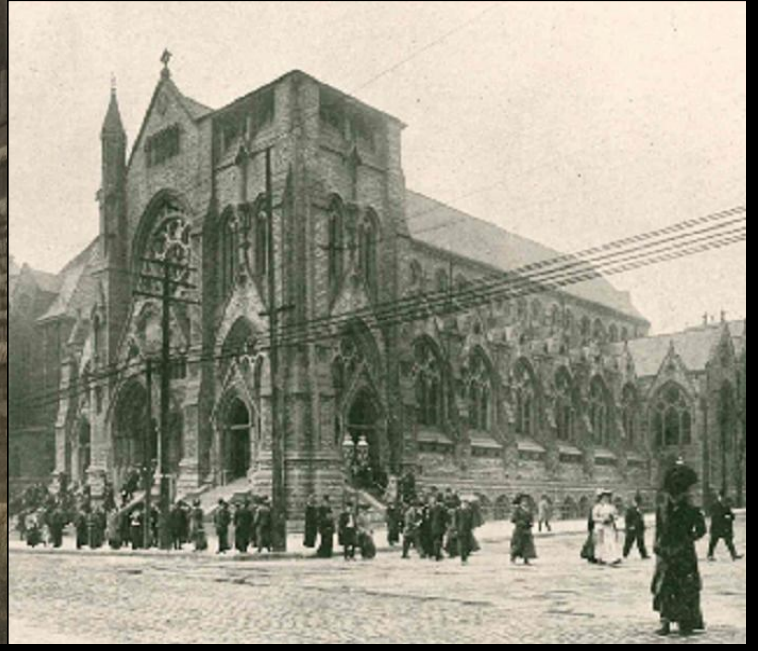

This new understanding is a boon for both parties. The College Church is the iconic building on SLU's campus, and has been our parish home since 1883. This partnership will help ensure that this beautiful place will continue to be a source of peace, prayer and hope long into the future.

## ***St. Francis Xavier (College) Church 1884-1940***

### ***Highlights***

- The land for the new site of Saint Louis University and College Church was purchased right after the end of the Civil War.
- The cornerstone of the new church was laid on Trinity Sunday 1884. By the end of the year the basement (now ballroom) was completed and used for liturgy.
- The ceremony was considered the largest Catholic event in the history of St. Louis. Catholic members of the Irish, German, African-American, and Polish communities figured prominently. It drew an estimated 20,000 people.
- The last mass at the first College Church was in 1888. The original church was torn down two years later. A Jesuit at the time noted, “the church came down not without a few tears.”
- The longest serving pastor of College Church was Fr. Henry C. Bronsgeest from 1888-1914. He raised the funds and oversaw the new church’s construction.
- St. Alphonsus “the Rock” Church could justifiably be considered our sister parish. It was built a few years earlier with the same white limestone exterior and neo-Gothic design. The architect, Thomas Walsh, was the same as well.
- The main body of the church was finished in 1898. The steeple was completed only in 1914 due to lack of funds.
- The stained-glass windows were added over a ten year period beginning in 1929. The last of the original amber windows can be found in the atrium room and new bride’s room.
- The parish consisted of 1000 families by 1911. St. Louis was the 4<sup>th</sup> largest city in the country in the census of 1900.

### ***They Said It:***

“In view of your repeated repeatedly expressed wish to transfer your college and church to Grand Avenue and to relinquish your present parish, I hereby consent to the change and, when made, I will give you a parish in your location.” Archbishop Kenrick

“He found the church a basement and made it a beautiful structure.” From a memorial for Fr. Bronsgeest at the end of his 26 year pastorate.

### ***This Really Happened***

\*Archbishop Kenrick withheld permission for the college and parish at the new location for nearly 15 years. He was interested in the same neighborhood for a new cathedral. He granted permission finally in 1879 for the move to Grand Avenue. The new Cathedral was eventually established half a mile west on Lindell.

\*The stained-glass windows were a gift from Mrs. Anna H. Backer a great patron both of College Church and St. Louis University High School. She funded the new high school at Oakland Avenue. The school is technically named Backer Memorial.

\*The parish school was opened in 1906 and staffed by the Sisters of Charity of the Blessed Virgin. The school was located just east of the church and cost \$11,000 to build. It later moved a few blocks west.

## College Church Parish Life Commission

Parish Life is the heartbeat of our parish community and strives to assess and respond to the pastoral and social needs of parishioners at College Church. The Parish Life Commission's purpose has been revitalized in preparation for achieving our Strategic Plan's goals. This Commission will focus on building and connecting a strong, diverse and unified community that treasures and taps the gifts of all at College Church. We hope along the way to discover and identify creative ways to celebrate together and accompany all parishioners through good times and difficult ones. Currently this commission plans and organizes parish events such as Xavier Days, Supper and Spirituality and the Appreciation Dinner.

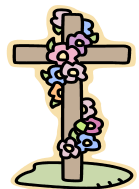

We gather for meetings once a month at Jesuit Hall between the Sunday morning Masses for an hour. It's a wonderful group of very supportive parishioners who enjoy working together to plan events for our parish. If you are interested in learning more about the Parish Life Commission or serving as a committee member, we would love to hear from you! Contact either Co-chair: Tina Saunders at 314-739-4885 or Erin Tkach at 414-430-1764. We're looking forward to a year of some wonderful social activities.

## Pray for the Deceased

Please remember in your prayers, Wanita Handal, mother of Paul Handal (Mary Ann Moore) of our parish who died recently along with all who have died in violence in recent weeks.

May she and all the departed share in the peace and joy of God's presence forever.

## Religious Education Registration

Our Religious Education program is now accepting registrations for the 2017-18 school year. Classes meet three times a month (September through May) on Sunday mornings from 9:15 to 10:20 am for children in grades preschool through Eighth Grade. Sacramental preparation for First Reconciliation and Communion are part of our Second Grade program, as is Confirmation preparation in Eighth Grade.

Our religious instruction is interactive and engaging with the emphasis placed on helping your child to know and love God. Social Justice is a strong component and all grade levels have outreach projects that help children to fulfill the Jesuit mission of being “people for others.”

The registration forms for the 2017-18 Program Year have been mailed to all current parents. If you are a new family and would like to register your child(ren) or if you have a child in a Catholic school who would like to make his/her First Communion or Confirmation at College Church, contact Angie for more information at [adoerr3@slu.edu](mailto:adoerr3@slu.edu) or 314-977-7302.

## Volunteer Teachers and Assistants Needed for Religious Education Classes

We are currently seeking volunteers for our Religious Education program. We are looking for teachers and assistants for our Religious Education Classes. As you help these young people grow in their faith and love of God, you will grow in your own! The commitment is three Sundays a month from 9:15 to 10:20 am. All teachers and assistants work in teams of two or more. Curriculum and training are available.

Please consider volunteering. If you are interested in helping or would like more information, please contact Angie Doerr at [adoerr3@slu.edu](mailto:adoerr3@slu.edu).

## Bulletin announcement for Adult Atrium Sessions

Looking for a place to contemplate the mysteries of our faith? We are pleased to announce our first Adult Atrium Sessions, scheduled for this summer.

The atrium is a specially prepared environment for the youngest members of our community and it is also a place where adults can listen to God’s Word and find their own faith deepening. Please come and listen to the Word of God as it is proclaimed to the littlest and “least” among us. We have many hands-on materials to work with to aid your contemplation and enjoyment of God’s Word.

Mark your calendars for these dates: July 23-Level 2, August 6-Level 3  
We will begin at 9:15 am and end just before the 10:30 am Liturgy.  
Please contact Julie Kilian (314-966-6596) with any questions.

**Please see volunteers in the vestibule TODAY OR NEXT WEEK after the 8am and 10:30am Masses to sign the petition.**

Contact Christine at [dragonettecm@slu.edu](mailto:dragonettecm@slu.edu) 977-7309 if you'd like to join our College Church team to help gather signatures for this important reform.

**College Church Trivia**

In what year was the altar enlarged?

- A. 2017    B. 2015    C. 2013

*Answer at the bottom of the page*

**Did You Know**

The altar is larger than it used to be? Originally 47” square, it is now 56” x 72”. This increased the area by more than 80%! The new top, which rests on the old one, is also made of oak just like the rest of the altar. There is a simple mechanism that secures the new top to the old one without marring either one. The altar can be returned to the original size in a matter of minutes.
